God's Plan for Sharing (GPS)

Just imagine the spiritual impact of every Southern Baptist church working together to sow the gospel all across North America! Participation is easy! Across North America is four simple steps:

- A three-week targeted optional media saturation taking place April 9-May 1, 2011 (more info at www.GPS2020.net ...TV, radio, billboards, newspapers, banners, etc).
- Participating churches prayer walking their communities on the weekend of April 10, 2011.
- Participating churches on April 17, 2011 distributing clear bags containing a *Find It Here* Gospel drop-in piece and an invitation to your Easter services to each home in your territory.
- Participating churches conducting a five-week follow-up process after Easter, April 24, 2011.

Find It Here pamphlets and door hangar bags are available at SBA office. Call to pick up as many as you need.

Searching
for a **New Pastor**

FBC McCloud
FBC Burney

Area Missionary News

What does your spring and summer look like? Mine includes an evangelistic outreach for Easter, party trailer evangelism events, assisting pastorless churches, VBS Clinic, planning for an associational mission trip, summer missionaries and Missions Camp. I am still praying for two church plants this year with at least one in Redding. Do you or your church want to partner with other churches to start something new? Associating to mobilize people and equipping churches to start new mission works. Call me to find out how you can be a part of a new work.

Thanks to all who participated in the Feb. 11th True Love Waits Youth Rally. There were people from 8 different churches with 113 in attendance and 22 students made first-time commitments to sexual abstinence. Praise Be to God.

In HIS grip,
J.

Church Sending (Missions and Evangelism)

MISSION CAMP

July 29 – August 4
Children 3rd-6th grade
Youth 7th-12th grade

Church Strengthening

This summer Lifeway Christian Stores will partner with Baptist Global Response to feature the mission's project in their Vacation Bible School materials. The project is called "Kits for Kids" and will involve U.S. churches and VBS groups in collecting/packing basic school supplies in

2.5 gallon re-sealable bags. These educational kits will be mailed by churches to a warehouse in Virginia, and from there shipped out to various parts of the world for distribution to kids in need of these basic school items.

There are millions of children around the world who are unable to attend school because their families cannot afford the basic supplies required. Others live in areas recently struck by disasters which render the supplies unavailable. Providing these simple school items will not only meet the physical needs required for education, but will also give missionaries and national partners an opportunity to share the love of Christ with these children and their families as the supplies are distributed.

Your Baptist Association can be a part of this exciting project! We need your help in promoting this opportunity with your churches. For more information visit the website www.vbskitsforkids.com or contact Baptist Global Response at 1-866-974-5623 (Toll Free) Please consider this opportunity to be the connection between Kids Who Care and Kids in Need!

Church Staff Development
